## About

I'm a passionate developer who is keen, hardworking, reliable and an excellent timekeeper. I am a bright and receptive person, good at using my initiative and being flexible in my approach to work duties.

## Professional Experience

- **Junior Software Developer** - Synergi Tech - July 2021 - Present

**Full Stack** - I develop business software for clients using Laravel and Vue.js.

**Initiative** - I am given a degree of creative freedom on projects, allowing me to assess what can be built to allow clients to have the best experience.

- **Junior Front End Developer** - Brave Agency - January 2021 - July 2021 : Peterborough - UK/Remote

**Helpdesk** - I maintain the Agency ticketing system, diagnosing and debugging issues on both the Front End and Back End of Wordpress websites.

**Communication** - I deliver outstanding customer service by liaising and updating the client on the status of their bug fixes from beginning to end.

- **Junior Front End Developer** - Champions UK PLC - August 2020 - December 2020 : Loughborough, UK

**Rapid Learning** - Quickly grasped the Drupal 8 CMS system to debug and deliver content of impeccable quality to critical clients.

**Teamwork** - Contributed to the Front End Development of major projects within the company, assisting the team and delivering first class websites.

- **Professional Musician** - Freelance - June 2012 - Present

**Self-management and leadership** - Using over 15+ years of musician experience, I am able to lead bands and organize myself to a very high standard.
