ABOUT ME

I'm a passionate developer who is keen, hardworking, reliable and an excellent timekeeper. I am a bright and receptive person, good at using my initiative and being flexible in my approach to work duties.

WORK EXPERIENCE

Musician

Princess Cruises

May 2023 - Present

- **Environment** - I work with a diverse crew of almost all nationalities.
- **Challenges** - I adapt quickly to the ever-changing environment and demands on board as a professional Cruise Ship Musician.

Junior Software Developer

Synergi Tech Ltd

July 2021 - May 2023

- **Full Stack** - I develop business software for clients using Laravel and Vue.js.
- **Initiative** - I am given a degree of creative freedom on projects, allowing me to assess what can be built to allow clients to have the best experience

Junior Front End Developer

Champions UK PLC

August 2020 - December 2020

- **Rapid Learning** - Quickly grasped the Drupal 8 CMS system to debug and deliver content of impeccable quality to critical clients.
- **Teamwork** - Contributed to the Front End Development of major projects within the company, assisting the team and delivering first class websites.
