ABOUT ME

I'm a passionate developer who is keen, hardworking, reliable and an excellent timekeeper. I am a bright and receptive person, good at using my initiative and being flexible in my approach to work duties.

WORK EXPERIENCE

Junior Software Developer
Synergi Tech Ltd
July 2021 - May 2023

- **Full Stack** - I develop business software for clients using Laravel and Vue.js.
- **Initiative** - I am given a degree of creative freedom on projects, allowing me to assess what can be built to allow clients to have the best experience

Junior Front End Developer
Brave Agency
January 2021 - July 2021

- **Helpdesk** - I maintain the Agency ticketing system, diagnosing and debugging issues on both the Front End and Back End of Wordpress websites.
- **Communication** - I deliver outstanding customer service by liaising and updating the client on the status of their bug fixes from beginning to end.

Junior Front End Developer
Champions UK PLC
August 2020 - December 2020

- **Rapid Learning** - Quickly grasped the Drupal 8 CMS system to debug and deliver content of impeccable quality to critical clients.
- **Teamwork** - Contributed to the Front End Development of major projects within the company, assisting the team and delivering first class websites.
